

## Professional Goals

This list will probably evolve over time as you evolve as a person and as an administrator, so it is important to update this chart on an annual basis. This allows you to explore the kinds of roles you want to take on during your career journey.

<b>Goals and Imperatives</b>	<b>Preferred</b>	<b>Acceptable</b>	<b>Unwilling to Consider (Deal Breaker)</b>
In what part of the country do I want to live?			
Do I want to work in a public or a private institution?			
Is my ultimate goal a small liberal arts college or a large research university?			
Which administrative track do I want to pursue? Academic affairs, business affairs, student affairs, or alumni/development?			
What position do I want to retire from?			
What do I want people to say about my career once I retire? What will be my mark?			
What do I want to do in my retirement?
